Jake Politzer, statistical clerk at the U. S. custom house, is the happiest man in town this morning. "It's a boy" he said as he sailed past a VIDEtte man on his way to the drug store and a 4x9 smile spread over his countenance as he said it. Mother and child are doing nicely and the bouncing young chap gives evidence already of having a first class pair of lungs. This is Jake's first and any unseemly actions of his during the next few days should be overlooked.

No-To-Bac for Fifty Cents. Guaranteed tobacco habit cure, makes weak men strong, blood pure. 50c. \$1. All druggists.
